Project Description / Justification	Type of STIP Project Const or Develop	Route	Milepost Limits	Total Estimated Cost	C-STIP Cost Request	NW ACT Priority Region 1 Washington and Columbia Counties	Comments
-------------------------------------	---------------------------------------	-------	-----------------	----------------------	---------------------	--	----------

Glencoe Interchange at US26, Washington County/North Plains	C-STIP	US26	57.16	Unknown	\$12.0 m (1999)	1	Subcommittee ranked this project #1 C-STIP. It was the #1 project from D-STIP 06-09 STIP Prioritization. Project was not scored using new criteria. It is in the 06-09 STIP for Final Plans. Project should be ready for construction in 18 months or 2 years.
---	--------	------	-------	---------	-----------------	----------	--

Traffic Signal and interconnect with R/R Hwy 30 at Millard Road in the city of St Helens		US30	26.95	\$300 k	\$300 k		This project was from the 06-09 STIP Prioritization. Project was not scored using new criteria. The signal would help the development of the McNulty Creek Industrial Park. Because it is a signal project, it will be handled through another funding source. Condition to signal warrants.
